WORK EXPERIENCE

Accounts and Finance Manager

Kala SpiceX (Grinix) • Delhi & Kerala | Oct 2023 – Aug 2026 | FCMG, Spice Wholesale Trading, Import Export Industry

- Managed end-to-end Accounts & Finance functions, including bookkeeping, GST, taxation, statutory compliance, vendor accounting, reconciliations and financial reporting.
- Led financial planning, budgeting, forecasting and cash-flow management, aligning financial resources with procurement, inventory, operating expenses and business growth requirements.

- Managed product costing, pricing and margin analysis for spice trading operations, evaluating procurement costs, logistics, market prices and target margins to support profitable pricing decisions.
- Prepared and analysed MIS reports, management accounts and financial statements, providing visibility into revenue, expenses, gross margins, working capital and overall profitability.
- Monitored accounts payable, vendor balances, procurement payments and reconciliations, ensuring accuracy and timely settlement across sourcing and logistics operations.
- Analysed cost structures and profitability by product/customer/channel, supporting management decisions on pricing, procurement and sales strategy.
- Coordinated demand forecasting, inventory planning and market research with commercial and operations teams to improve purchasing decisions and working-capital utilisation.
- Managed revenue and expense tracking, identifying cost-control opportunities and supporting effective allocation of financial resources across business functions.
- Supported procurement and sourcing decisions through cost analysis, supplier pricing evaluation and financial impact assessment.
- Developed and implemented digital MIS and AI-enabled tools to streamline financial tracking, reporting, data analysis and management decision-making.
- Maintained financial controls and supported audit, compliance and documentation requirements, ensuring accuracy and transparency across accounting and commercial transactions.
- Worked closely with sales and procurement teams on pricing strategy, customer margins, payment terms and commercial negotiations, ensuring business decisions remained aligned with profitability and cash-flow objectives.
- Conducted market and competitor analysis to support pricing decisions, demand forecasting and financial planning for the Grinix spice business.
- Supported the commercial growth of the business through sales, customer management and distribution activities, while maintaining a strong focus on cost control, margins and financial sustainability.
- Coordinated quality control and logistics from a financial and cost-management perspective, ensuring supply-chain activities were commercially viable and accurately reflected in financial records.

Senior Finance Executive

Wipro Ltd. • Bengaluru | Dec 2021 – Aug 2023 | Information Technology Industry

- Team Lead of Revenue Centre of Excellence, Europe Team, UK&I Sector of Wipro Ltd.
- Led a high-performing finance team of 14 members (6 Chartered Accountants, 4 CA Inter, 4 MBA Graduates).
- Forecasted quarterly revenue and created budgets for various European clients; managed revenue operations for 160+ accounts of Wipro Ltd. and validations of around \$500 Million USD each month.
- Associated with cross-functional teams such as Revenue Assurance, FP&A, and Audit teams post quarter-end closures.
- Provided strategic guidance for accurate revenue reporting, compliance, and initiated revenue optimization initiatives.
- Performed deal pricing and optimized deal prices while negotiating with customers on delivery-linked business deals.
- Reviewed contracts to interpret financial models and financial reporting as per IFRS 15 and IFRS 16.
- Ensured attention to detail while validating order booking and downstream activities in Wipro ERP (Quantum).
- Managed Accounts Receivable, System Audit, User Acceptance Testing (UAT) assistance, month-end revenue closure activities, reporting, and presentations.
- Handled Account Reconciliation, Invoice Reconciliation, Debtors Ageing, Unbilled/Unearned Revenue Reconciliation, and Costing.
